ARTICLE 1 – OBLIGATION TO ACT FAIRLY

- 1.01 In administering this agreement, the Division shall act reasonably, fairly, in good faith, and in a manner consistent with the agreement as a whole.

ARTICLE 2 – PURPOSE

- 2.01 The purpose of the collective agreement is to describe the working conditions, pay, benefits, and other matters negotiated between the Brandon School Division, hereinafter referred to as the Division, and the Brandon Teachers' Association, hereinafter referred to as the Association, and agreed by them. It is understood that articles contained within this collective agreement may change over time through the process of negotiation and agreement between the parties.
- 2.02 This agreement is made pursuant to provisions of The Manitoba Public Schools Act, The Labour Relations Act and The Education Administration Act and regulations thereto.

ARTICLE 3 – EFFECTIVE PERIOD

- 3.01 This agreement shall become binding and take effect as from the first (1st) day of July 2018 and shall remain in full force until the thirtieth (30th) day of June 2022 and shall, thereafter, continue in effect from year to year unless either party gives to the other party by registered mail, notice of its intention to terminate or seek amendment of this agreement. Notice shall be given by either party not more than ninety (90) days and not less than thirty (30) days prior to the date of expiry of the term of the Agreement. At such time as may be mutually agreed upon, representatives of the Association and the Division shall meet for the purpose of commencing negotiations.

ARTICLE 4 – SCOPE

- 4.01 Definition of a teacher: A teacher means a person who holds a valid teaching certificate, a limited teaching permit, or a school clinician's certificate under Manitoba Education or who is authorized by the Minister to teach in a school.
- 4.02 Scope: All teachers under contract with the Division come under the scope of this agreement.
- 4.03 In the event the Division establishes a new position(s) which would be covered by the collective agreement between the Division and the Association, the Division will notify the Association of its intention to staff this position and enter into negotiation for establishing a rate of pay for the new position. Should the parties not be able to agree on the appropriate rate of pay, this difference may be pursued under Article 29 of this agreement.

ARTICLE 5 – SUCCESSIVE TERM CONTRACTS

- 5.01 A teacher employed by the Division on a Limited Term Teacher - General Contract for one hundred and eighty (180) or more school days in each of successive contract years and

subsequently hired on a Teacher – General Contract shall receive recognition of actual service and seniority from the signing date of the first of the Limited Term Teacher – General Contract(s) with the Division, and shall be entitled retroactively to sick leave earned but not utilized.

- 5.02 a) Any teacher employed by the Division on one or more Limited Term Teacher – General Contracts for two (2) successive full school years, whether full-time or part-time, shall be signed to a Teacher – General Contract if employed by the Division in the third consecutive school year.
- b) Any teacher employed by the Division on a Limited Term Teacher – General Contract for two (2) successive full school years and not hired on a Teacher – General Contract in the year following shall be provided with a written statement which explains why she or he was not hired again.
- c) Notwithstanding the foregoing, should the Division expect the teacher to be employed for a period of less than three (3) months, the Division may employ such teacher on a Limited Term Teacher – General Contract.

ARTICLE 6 – CLASSIFICATION

- 6.01 Educational Qualifications: For the purpose of the salary schedule, members of the teaching staff shall be classified according to the classification awarded to them by Manitoba Education, Professional Certification Section, with exceptions noted hereinafter.
- 6.02 A teacher holding a valid and subsisting special certificate for vocational industrial education, vocational agriculture, or their equivalents, or special permission from the Director of Professional Certification to teach in such an area, and assigned to teach a recognized vocational program, and whose enrolment in the Red River College Vocational Teacher Education Program is not yet confirmed by Manitoba Teacher Certification and Records shall be paid a starting salary equal to the first step of the class four (4) on the current salary schedule, as provided in Article 7 – Salaries.

As soon as the Division has received these confirmations the teacher's salary shall be adjusted retroactively to his or her placement on the salary scale as stipulated in Article 6.03.

If the employee is recognized as less than class four (4) the employee must pay back the difference between the higher rate and lower rate within that school year or as mutually agreed by the teacher and the Division.

- 6.03 A teacher holding a valid and subsisting special certificate for vocational industrial education, vocational agriculture, or their equivalents, or special permission from the Director of Professional Certification to teach in such an area, and assigned to teach a recognized vocational program shall be paid, in addition to the basic salary schedule, an allowance of \$1,000.00 per annum and shall be classified on the salary schedule one (1) classification above the classification allowed by Manitoba Education until such time as his/her total annual salary reaches the maximum of a class four (4) salary classification, subject to the following conditions:

Teachers being paid one (1) classification above classification allowed by the Department of Education shall receive this payment:

- a) for five (5) years from the date of commencement of employment if the holder of a teaching certificate upon commencement of employment; or
- b) for six (6) years from the date of commencement of employment if the holder of a "letter of authority" upon commencement of employment; or
- c) for seven (7) years from the date of commencement of employment if the holder of a "permit" upon commencement of employment.

All such teachers must complete, during the prescribed period of time, further educational training sufficient to raise the classification allowed by Manitoba Education to a class four (4) minimum standing. It shall be the responsibility of all such teachers during this period of time to file with the Division each September a transcript indicating courses completed to date and a statement indicating courses to be pursued in the forthcoming year. The agreement to pay the teacher one (1) classification above classification allowed by Manitoba Education shall cease:

- 1) effective January 1st immediately following the teacher's failure to register evidence of progress in educational upgrading satisfactory to the Division, unless the teacher furnishes evidence satisfactory to the Division of circumstances beyond the teacher's control; or
- 2) effective concurrently with the awarding of a class four (4) salary classification by Manitoba Education; or
- 3) effective with the expiration of the aforementioned prescribed time limits of employment based upon initial date of commencement of employment; whichever occurs first.

Experience for vocational industrial and vocational agricultural teachers or their equivalents shall be recognized as provided in Article 8.03.

- 6.04 Payment for Increased Qualifications: Upon completion of courses which lead to a higher classification, payment for resultant increased qualifications recognized by Manitoba Education shall be effective the first (1st) day of the month immediately following the date verified by Manitoba Education. A statement from Manitoba Education confirming a higher classification shall be provided to the Secretary-Treasurer as evidence of same and authorization for payment. The onus for providing the Division with satisfying proof of increased qualifications rests with the teacher concerned.

Article 6.04 shall be deemed to have been in full force and effect as at October 1, 1981, and to apply to all above-mentioned letters of verification received from Manitoba Education since that date.

The teacher has an obligation to act diligently and in a timely manner in seeking to have Manitoba Education recognize his/her increased qualifications. Failure to act in such a fashion will result in the increased qualifications not being recognized for pay purposes until the first (1st) day of the month immediately following the date on which the teacher provides the Division with the required statement from Manitoba Education.

The employment insurance premium reduction amount will be submitted to the Association by April 30 of each year.

13.03 A teacher shall be entitled to use up to five (5) days of accumulated sick leave per school year to attend to the illness or injury or medical appointment of his or her spouse or common law partner, child, parent, sibling, step-parent or grandparent.

13.04 Sick leave is not payable to a teacher:

- i) who, while receiving sick leave benefits from the Brandon School Division, is engaged in employment for wage or profit with another employer, except when such employment occurs as a result of a program of rehabilitative employment approved by the Disability Benefits Plan; or

- ii) who, in respect of injury resulting from a motor vehicle accident, is receiving wage-loss replacement benefits from Manitoba Public Insurance ("M.P.I.") to the extent that such benefits and paid sick leave exceed the teacher's normal salary and up to the maximum number of sick leave days accumulated by the teacher. In such cases, the teacher shall reimburse the Division the amount of benefit received from M.P.I.
- 13.05 The Division may require teachers to produce reports from a duly qualified health care practitioner(s) on matters related to their illness and absence from the workplace.

ARTICLE 14 – MATERNITY/PARENTAL LEAVE

- 14.01 With respect to maternity/parental leave, the Manitoba Employment Standards Code will apply except as provided herein.
- 14.02 Every female teacher shall be entitled to maternity leave and every teacher shall be entitled to parental leave in accordance with this article.
- 14.03 The teacher and the Division may mutually agree to extend the length of the leave if the teacher so desires. Any such arrangements shall be confirmed in writing by the Division.

The Division shall pay a teacher on Maternity Leave and/or Parental/Adoptive Leave:

- a) If the teacher's two (2) week or ten (10) day waiting period falls entirely on teaching days, ninety percent (90%) of the teacher's gross salary plus up to seventy-five (75) teaching days of Maternity Leave top-up calculated at the difference between the teacher's employment insurance benefit and ninety percent (90%) of the teacher's gross salary provided the teacher remains on either Maternity or Parental Leave and continues to receive employment insurance benefits;
- b) If the teacher's two (2) week or ten (10) day waiting period falls partially or entirely within a non-teaching period, ninety percent (90%) of the teacher's gross salary for any teaching days and up to eighty-five (85) teaching days of Maternity Leave top-up calculated at the difference between the teacher's employment insurance benefit and ninety percent (90%) of the teacher's gross salary provided the teacher remains on either Maternity or Parental Leave and continues to receive employment insurance benefits;
- c) Up to fifty (50) teaching days of Parental/Adoptive Leave top-up calculated at the difference between the teacher's employment insurance benefit and ninety percent (90%) of the teacher's gross salary provided the teacher remains on Parental/Adoptive Leave and continues to receive employment insurance benefits.

For greater certainty, a teacher who is receiving employment insurance benefits shall be entitled to:

- a) One hundred and thirty-five (135) teaching days of pay and/or top-up benefits if the teacher takes both Maternity Leave and Parental/Adoptive Leave;
- b) Eighty-five (85) teaching days of pay and/or top-up benefits if the teacher takes only Maternity Leave;
- c) Fifty (50) teaching days of pay and/or top-up benefits if the teacher takes only Parental/Adoptive Leave;

unless the teacher takes a shorter period of Maternity Leave or Parental/Adoptive Leave in which case, the pay and/or top-up will be pro-rated to reflect the actual number of teaching days taken. The parties acknowledge that the top-up payments made by the Division for Maternity Leave may extend into the period of time that the teacher is on Parental Leave, but the payment is intended to be a top-up of Maternity Leave benefits.

Non-Application: This Article shall not apply to any teacher who is employed on a term contract during the teacher's first year of employment. All other teachers shall be eligible to receive the top-up benefits once they have been employed for a period of seven (7) months by the Division.

In the interim, the teacher shall be entitled to return to such position as the Superintendent may, in his/her discretion, decide, provided that the teacher shall, in either event, be entitled to not less than the same salary and benefits received by the teacher prior to the commencement of maternity/parental leave.

The right to transfer shall be exercised fairly and reasonably, having due regard for the educational needs of the Division, and the interests of the teacher involved.

ARTICLE 20 – PART-TIME TEACHERS

- 20.01 When a teaching position becomes vacant within the Division, preference shall be given to any currently employed part-time teacher who applies for the position over any applicant from outside the Division, provided the Brandon applicant has training, academic qualifications, and experience equal to those of any outside applicants or better than those of outside applicants.
- 20.02 When more than one part-time teacher from the Division applies for a full-time vacant position, and the teachers have the necessary training, academic qualifications and experience to fill the position, preference shall be given to the teacher having the greater seniority in accordance with Article 25 – Layoff.

as 1/x of the salary to which a teacher of the same qualifications and experience would be entitled under the basic salary schedule of the current collective agreement, where x equals the number of days in the current school year).

This rate of pay shall be retroactive to the first day of the teaching assignment and shall continue in effect until the end of that specific teaching assignment. 21.05 A substitute teacher who has been employed for at least nine (9) consecutive days of substitute teaching in the same assignment in a school year shall be entitled to one (1) day of sick leave with pay for each nine (9) days taught in that assignment. Sick leave shall not accumulate from assignment to assignment.

The use of sick leave with pay shall not constitute an interruption of the substitute teaching assignment.

21.06 If a substitute teacher is absent from a period of substitute teaching on account of bereavement leave granted in accordance with Board practice or policy, and that substitute teacher returns to the same substitute teaching assignment immediately following the period of bereavement, the period of leave shall not constitute an interruption of the substitute teaching assignment.

The imposition of discipline by the Board or any agent thereof in the form of written warning(s) and/or suspension(s) with or without pay shall be subject to the following provisions.
1. Where the disciplined teacher is not satisfied that the discipline is for just cause, the Division's actions shall be deemed to be a difference between the parties to or persons bound by this Collective Agreement under Article 29 – Disputes Concerning This Agreement.

An employee shall have the right to respond in writing to any document contained in the personnel file.

Following written assessment of an employee's performance, the employee will be given an opportunity to review the assessment and to acknowledge having read the contents of the assessment. For the purpose of this article working days shall be defined as those days that the Board Office is open to serve the public.

- b) Academic Qualifications - Refers to the classification in which a teacher is placed by the Professional Certification Unit of Manitoba Education.
- c) Experience - The practical application of the training over a period of time with respect to the particular subject(s).

25.02 Where it is determined by the Division that a lay-off is necessary and where natural attrition, transfers, sabbaticals and leaves of absence do not effect the necessary reduction in staff, the Division shall give first consideration to retaining teachers having the greatest length of employment with the Division.

25.03 Notwithstanding the foregoing, in the event of lay-off the Division shall have the right to disregard the length of employment of any teacher if such teacher does not have the necessary training, academic qualifications and experience for a specific teaching assignment.

25.04 The Division shall maintain a seniority list showing the date upon which each employee's employment commenced and the total years of employment for the purpose of determining seniority. Such list shall be posted in each school by February 1st of each school year and a copy sent to the Association. The Association and/or the teacher shall be permitted to protest any alleged omission or incorrect listing until February 15th of that year. In the event of an omission or incorrect listing being brought to the Division's attention after February 15th, the teacher shall have the right to correct the listing at the next scheduled posting of the list.

25.05 Seniority for the purposes of this agreement is defined to mean the length of continuous employment as a teacher with the Division.

25.06 Where teachers have the same length of continuous employment with the Division, seniority shall be determined on the basis of total teaching employment in the Division.

25.07 Where teachers have the same length of employment in (.05) and (.06), the seniority shall be determined on the basis of total teaching employment in Manitoba.

25.08 Where teachers have the same seniority as defined in (.05), (.06) and (.07) above, the order of seniority shall be determined on the basis of total teaching experience recognized by the Province of Manitoba for classification purposes.

25.09 If the length of teaching experience as defined in (.05), (.06), (.07), and (.08) above is equal, the teacher to be declared surplus shall be determined by lot.

- f) Any teacher on the recall list who refuses to accept a position for which the teacher has the necessary training, academic qualifications and experience to perform the work in the position offered shall forfeit all right of seniority and recall subject to the exception contained in (.10)(b) hereof.

A teacher who has lost his/her right of recall as a result of the application of this clause shall be notified in writing as soon as possible that his/her teaching contract has been terminated.

- 25.11 In the event of an impending lay-off, the Division shall meet with the Executive of the Association to discuss the implications of the lay-off and shall provide the Association with a list of teachers to be laid off. The meeting shall be held no later than the 15th day of April in any school year.
- 25.12 Notice of layoff and a copy of this article shall be given to the teacher no later than the first day of May of the school year. The teacher, within ten (10) calendar days of receiving notice of layoff, shall indicate, in writing, his/her wish to be placed on the recall list.
- 25.13 If, after layoffs have occurred and for a period of one (1) calendar year after September 30th following the date of layoff, teachers who have been laid off and have given written notice that they wish to be recalled shall be offered the position first when positions become available, provided such teachers have the necessary training, academic qualifications and experience for the position available. Seniority will be used to determine the order in which laid off teachers are offered the available positions provided that the said teachers have the necessary training, academic qualifications, and experience.
- 25.14 It shall be the responsibility of the teacher to report an address to which a recall notice can be delivered. Recall notices will be delivered by registered mail to the last reported address given by the teacher and a teacher who is recalled from lay-off shall be required to indicate within six (6) working days of the registered letter being received of his/her intent to return to work and shall be required to return to work on the date set out in the notice, which date shall not be less than fourteen (14) calendar days following such notification unless by mutual agreement.
- 25.15 A teacher's accumulated sick leave credits shall not be affected if the teacher is recalled as provided in article (.13) above.
- 25.16 If the Board terminates the contract of a teacher because that teacher is surplus the Division shall provide the teacher with a letter to this effect.

25.17 Notwithstanding any other provisions of this article, the foregoing lay-off provisions shall not apply to teachers continuously employed under one (1) contract with the Division for less than one year, or to teachers employed for a specific term where during that term the teacher is employed on the expressly written understanding that such teacher will not after the completion of such term be employed by the Division, provided however, no teacher shall be laid off who has been employed by the Division on a Teacher General (or Form 2) contract if there is a teacher employed under a Limited Term Teacher contract in a position for which the teacher with the Teacher General (or Form 2) contract has the necessary training, academic qualifications and experience.

28.01 A Liaison Committee shall be appointed, consisting of four (4) representatives from the Association and four (4) representatives from the Division. The Committee shall meet at the request of either party for the purpose of discussing matters of mutual concern. A summary of discussions will be recorded, and a copy provided to each member of the Committee, as well as a copy posted on each school bulletin board.

If one of the Parties claims that this time limit imposed herein has not been complied with the Parties shall proceed to appoint an Arbitrator or Arbitration Board as hereinafter provided and, if the Arbitrator or Arbitration Board

is satisfied that the irregularity with respect to the time limit has not prejudiced the Parties to the arbitration and will not affect the merits of the dispute submitted to the Arbitrator or Arbitration Board, it may, on application of any Party to the arbitration, declare that the irregularity does not affect the validity of the Arbitrator or Arbitration Board rendering a decision; and the decision of the Arbitrator or Arbitration Board shall be binding on the Parties to the arbitration and on any person affected by the decision of the Arbitrator or Arbitration Board.

- c) Each of the Parties to the dispute shall, within seven (7) teaching days of the date of the written request for the arbitration, appoint an Arbitrator to the Arbitration Board and shall notify the other Party of the appointment. These two (2) Arbitrators within a further period of seven (7) teaching days after their appointment, shall meet and select a Chairperson. Should the Arbitrators fail to agree upon a Chairperson within the required seven (7) teaching days, either Party may request the Manitoba Labour Board to appoint a Chairperson.
- d) If the Board and the Association, after the delivery of the written request to settle the dispute by arbitration and before the expiration of the seven (7) teaching day period prescribed for the selection of their respective nominees, agree that the difference shall be settled by a single-named Arbitrator, the Arbitrator so selected shall have the like authority as the Arbitration Board to make a final settlement of the difference and shall act in the place and stead of the Arbitration Board.
